

NO HASSLE Fundraiser!

What is the 100% No Hassle Fundraiser?

The fundraiser is a **direct giving** campaign designed take the hassle out of traditional fundraisers like selling pizzas, cookie dough, gift wrap, gifts, magazines, etc...

Unlike other fundraisers, 100% of your donation will go directly to supporting your children (rather than 40% from sales events).

Why do we need the campaign?

Public education in our district covers the basic needs such as classrooms, textbooks, teacher salaries, office staff, some computers, a basic set of library books, and limited office supplies. State funds typically don't provide all the necessities to cover all of the basics, let alone many of our valuable programs. We rely heavily on parent donations in order to maintain quality teaching in each classroom, teacher/classroom and office supplies, and so much more. Please note that donations to the PTO are completely voluntary, and that **every student** benefits from our programs and events.

May I donate any amount?

We know that our families are economically diverse. We treasure our diversity and anticipate gifts in varying amounts. We ask you to seriously consider giving the most that you can at a level that is comfortable for your family. We also welcome corporate "matching gifts" or grants, and additional donations from friends and family. We as a community are building a future for our children and our school.

NO GIFT IS TOO SMALL. EVERY GIFT IS IMPORTANT!
